This certificate will confirm that such registration remains effective upon request and presentation of this certificate until the end of the calendar year stated above, unless said registration is terminated after issuance of this certificate. This certificate makes no other representations or warrants, nor does this certificate make any representations or warranties to any person or entity other than the named certificate holder, for whose sole benefit it is issued. This certificate does not denote endorsement or approval of the certificate-holder's device or establishment by the U.S. Food and Drug Administration. This certificate assumes no liability to any person or entity in connection with the foregoing.

Pursuant to 21 CFR 807.39, "Registration of a device establishment or assignment of a registration number does not in any way denote approval of the establishment or its products. Any representation that creates any impression of official approval because of registration or possession of a registration number is misleading and constitutes misbranding: "The U.S. Food and Drug Administration does not issue a certificate of registration nor does the U.S. Food and Drug Administration recognize a certificate of registration which is not affiliated with U.S. Food and Drug Administration."
